Mi-pod

The Mi-pod is a super compact innovative electronic vapor starter kit with 2ml E-Juice capacity and a custom - made 950mAh built-in battery. Featuring a patented OAS system (Oil and Air Separated), with top air flow and no leaking, the Mi-pod brings you a new vaping experience. It supports both disposable cartridges and refillable cartridge. Furthermore, the Mi-pod comes with an auto draw function, 3-color power indicators and a micro-USB port, which makes it very convenient to use and charge. Please read the user manual carefully before using.
